

RapidOPS™ Recon

ServiceNow Assessment

Not sure where to start? RapidOPS™ Recon is built for customers who need clarity fast. We kick things off with a no-cost current-state assessment, delivering actionable insights and a clear path forward in just 1–2 weeks.

What is it? 20 no-cost service engagement hours that may be applied toward ServiceNow platform needs and requirements in the selected calendar year.

Examples of a RapidOPS™ Recon Engagement

New - Explore AI Assessment

Demo Building - Workshops

Roadmap Services – Process Review

Configuration Check – Reporting Health

**Enterprise Asset Management
Viability**

The Details

We perform a current state assessment, reviewing the ServiceNow platform to identify current gaps and future module expansion efforts.

Upon completion, joint goals, the scope of work, and timeline are established prior to engagement kickoff.
