

RapidOPS™ Recover

Debook Rescue – License Recovery

“We are frustrated and thinking of walking away. There is no clear value from ITAM/ITOM.”

What is it? **45 to 60 Day Remediation & Acceleration**

We revive value from stalled implementations through fixes, re-scoping, and/or accelerated delivery.

Client Value & Business Impact: Recover license utilization within 8 weeks and free hours to begin the journey. Puts the client on the path to trusted data.
